I'm sure it wasn't that bad.

You're overly sensitive.

You probably took it too personally.

You'll get over it.

Just let it go.

You're a strong person.

It could be worse.

God doesn't give you more than you can handle.

Everything happens for a reason.

I know exactly how you feel.

You shouldn't be angry.

Don't be sad.

Stop making things up.

You're overreacting.

You probably misunderstood.
